GREENWOOD BAYARDO is ready for some heavy service and should be a calf to your liking. His sire, Beaufort Bayardo was purchased by Ben Studer of Iowa at the Perth sale in Scotland in 1950 to head his strong Shorthorn herd. Greenwood Bayardo will undoubtedly prove a good sire with such great bulls in his pedigree.

We ask that you notice the Greenwood consignment in this sale. Greenwood is making room for more cattle. Consequently; they are selling a number of extra good buys in this sale offering. Two bulls ready for heavy service and two more extra good spring bull calves will sell at foot. Three of these bulls are by Uppermill Wanderer. Two very good cows sell, one of the cows is imported with a marvelous production record. Two attractive bred heifers are selling and two outstanding January open heifers. The pedigrees from this consignment represent the best that America and Scotland can write.

- ★ Weaning weights 50 to 100 pounds greater.
- ★ Increase yearling weights 100 to 200 pounds.
- ★ Mature cows 100 to 200 pounds heavier.
- ★ Smaller heads and less calving trouble.
- ★ Ninety to 100 per cent calf crops.
- ★ Increase foraging efficiency.
- ★ Stand up better in extreme heat or cold.
- ★ Resist pinkeye, cancer eye and other infections.
- ★ Increase milk in crossbred cows.
- ★ Hornless calves when sired by a polled bull.
- ★ Higher prices for weight to return most dollars at market.
